

### **WELCOME TO OUR FALL/WINTER 2016 MENU!**

We've done our best to keep all your favourites ... and added a few more temptations!

**Menu Launch: Menu Tasting Events October 27 & 29th**

**Full Public Launch: November 1, 2016**

### **ALLERGIES AND SENSITIVITIES**

Accommodating allergies and sensitivities takes careful planning. Flexible restaurant staff and good practices in the kitchen - are a combination that are difficult to put together. It takes real commitment. At Laughing Demon we make sure we have it together for you. We are more than willing to accommodate those with special dietary needs.

### **WHEN BOOKING RESERVATIONS, AND WHEN YOU ARRIVE...**

Do make it "perfectly clear" to our team that you or someone in your party has a dietary restriction as well as the nature and degree of the restriction. We are more than happy to discuss what is - and isn't in the foods we serve.
